>All the characters belong to their rightful owners.
This just my own imagination.

Lydia ran down her fingers along her long brown hair and slumped back on the chair.

She'd been hopelessly trying to finish her calculus homework for an hour with no luck.
>She heard a noise next to her window and jumped up and looked around for something to defend herself and found Jamie's old baseball bat near her bed and picked it up.
No one was home so her heart was throbbing in her chest.
>She slowly went near the window,only to find Jude climb up the tree and land in her best friend chuckled at her pose to protect herself.<p>

"You know,you could've given me a heart attack!"
>"Oh come on Lyd!When are you gonna get used to me jumping into your bedroom?I've been doing it since middle school and you still pick up something to hit the attacker that I am." said Jude sitting down on her bed.
>"So no luck with the homework?" he inquired.
>"No,I've been at it for the past I should go to Sawyer."

>"Yeah,let's go,I could use the help myself."

As the two teens were driving to their friend's place,Jude asked,"_So...have you decided who to go with on homecoming?''_

>Lydia looked at him and said "Is that even a question?I've always gone to homecoming with you."
"But that was middle school!

>This is high school Don't you wanna go with some hot jock?" Jude said,wiggling his eyebrows.
>"Jude Baker!Don't you go flattering yourself now that you made it into the Ravens
>Sure,you're a jock now,but you're not hot.
>Just a dork." Lydia said snorting and continued,"Why did you find some hot cheerleader to go with?"
>"Not yet.I might have to ditch you if I do though" said Jude.

She felt a tang of anger surge up inside her and she snapped at him,

>"Fine!I'll find some hot jock myself!" and looked out the window.
>He was surprised,what happened to cheery old Lydia all of a sudden?
"_Hey,I was just joking you know."_
>"Well,joke all you want.I don't care" saying that Lydia climbed out of the car and headed towards Sawyer's house.

"_Well there you go kiddos!That's how you solve calculus._" said Sawyer tying up her curly-blonde hair in a bun.
>"Thanks Saw.I'm gonna head home now,else mom's gonna Lyd,you coming?"
>"Nah.I'll just crash here tonight.I'll call mom." said Lydia,she still seemed a little upset.
>Sawyer yelled at Jude "Say hi to Aunt Brooke for me!" as Jude drived off.

"So!Lydie Scott,what's up with you?You've been dreaming in your own little world since you got here" said Sawyer,changing into her PJs and handing her cousin one of her pairs.
>"I don't know,earlier Jude joked about going to homecoming with someone else and something just clicked inside me and I snapped at him and said I'd find someone for myself as well" said Lydia.

>Sawyer smirked at her cousin's drama."Well well,so the Jydia drama has started so fast!I guess my mom's winning the bet."

>"What bet?" asked Lydia sitting up,"and what the hell is a 'Jydia'?"
>"It's something Aunt Brooke and our moms came up with when we were and Jude would always be all placed bets on when you two would start voted freshman year,your mom voted sophomore and Aunt Brooke voted for Junior" explained Sawyer.
>Lydia was left awestruck."What?!I can't believe my mom said something like that about me!God no!Sawyer,Jude and I are JUST BEST FRIENDS nothing more than that."
>"If you say so one can forget that kinder garden kiss you two shared." said Sawyer chuckling.
>"Oh come on!We were kids!It doesn't mean anything." Saying that,Lydia pulled up the covers and pretended to drift off to sleep.

2. Chapter 2

Lydia woke to alarm buzzing of near her bed and sat up hitting the off button.
>She looked at herself in the mirror.
Long and messy hair ran down her had brown eyes just like her mother which sparkled whenever she was happy.
>Unfortunately she wasn't happy at the moment.
She kept wondering about what Jude had said about going to homecoming.
>Now she was determined to get herself someone good looking to go with.
Did she want to make Jude jealous? Why would she want that? Several thoughts kept roaming around her mind.

Sawyer woke up to find her cousin admiring herself at the mirror.

>She chuckled and got up saying "You know,if you want to make guys jealous,there's nothing better than a good makeover."

_"__Yeah."_ Said Lydia absent mindedly. _"Wait,what?I don't wanna make Jude jealous._" she stammered.
>Sawyer quirked up her eyebrows, "Who said anything about Jude?" she was enjoying teasing her cousin like that.

>"Shut up Saw!" Saying that,Lydia headed towards the bathroom.
>Brushing her teeth,she said from the bathroom,
"About makeovers,could you give me one?"
>"EEE!Of course!" said Sawyer cheerily.
>After going through Sawyer's entire closet and having tried on most of her clothes,
Lydia was standing in front of the mirror in hot pink tank top with a loose jacket over it
>and a black skirt sporting a few inches over her knees.
She was surprised. She actually looked pretty.
>Sawyer had taken the liberty to straighten her hair and put some makeup on her.
Sawyer smiled in satisfaction and said, _"See?Sawyer's got some magic!"_

Jude was walking down the hallway of Tree Hill High.
>He was still thinking about Lydia.
_Why'd she react like that last night? Did she feel the same way about him the way he felt for her since Kinder Garden?
>That kiss they shared as kids was his most cherished memory,even though they both deny it being anything special,
>he secretly was in love with Lydia ever since.
He just didn't have the courage to tell her and ruin their friendship.
>Davis walked up beside him.
His twin and he looked very similar.

>Except for the hair.
Jude had sandy-blonde, tousled hair while Davis had spiky brown.
>Other than that,they looked almost the same.
"You know,you've been seeming quite odd since last 's up brother?" Davis asked,putting his books in his locker next to Jude.
>Before Jude could say anything,
Davis gasped, _"Whoa!is that Lydia?"_

Jude turned around to find the girl he loved walk into the hallway.

>She was looking absolutely gorgeous in a skirt,different from her daily jeans and t-shirt.
Her hair was flowing nicely down her

shoulders.
>She had put make-up on,something Lydia Scott hardly did.
Jude was left awestruck.
>"Earth to Jude!" Davis nearly yelled in his ears.

>"Yeah,I guess that's Lydia."
_ Said Jude.
>Still dazed at the sight of the gorgeous brunette.<p>

3. Chapter 3

Chapter 3

Lydia walked down the hallway of Tree Hill High as everyone stared at her.
>This was something she was new to.
No one ever really noticed her other than her friends.
>Everyone just saw her as Jamie Scott's little sister.
Even though he was off to college now, he was still popular around Tree Hill.

>She walked by Jude, trying her best to ignore him.
The blonde boy was staring after her.
>She was lost in his thoughts when she ran into someone.
She looked up to find a gorgeous brunette boy staring at her.
>He had blue eyes with a slight glint of sparkle in it.
"I'm so sorry!" Lydia groveled picking up her books.

The boy bent down next to her and said _"No no!It's entirely my fault.I should've seen where I was going.I'm so sorry!
>It's so impolite to run into girls like this,that too such a gorgeous one."
>Lydia blushed at the boy's remark.
"Thanks.I'm Lydia Scott." She said stretching out her hand.
>"Damien West."
>Said the boy shaking her hand.
"I'm new in Tree Hill,mind showing me around sometime?"
>"I'd love we could hangout after school?" Lydia offered,still feeling blood rushing to her cheeks.
>Damn!this boy was so cute!
"_Sure,I'll see ya."_
>Said Damien as he walked past her sporting a kind smile.<p>

Jude could feel the amount of blood rushing through his veins.
>He had tightened his fists into strong grips, watching Lydia and that guy talking in front of him.
Davis was staring at his brother, "_Hey!Jude!What's up?Don't tell me you're jealous.
>That guy was just helping her pick up the books."
>Davis was well aware of his twin's feelings for Lydia.
He just didn't want to push Jude into it.
>"They were clearly flirting,in case you didn't notice.
Come one,let's head to practice now."_

_"Oh come on Lydie!Please!
>just try out the auditions,we could really use your skinny legs for our cheerleading team,now that Heather's gone!" Sawyer whined.

>"Okay,I'll audition."said Lydia,giving up on her cousin's pleas.

Jude was annoyed and shocked to find the same idiotic guy in basketball practice.

>Coach Scott,or more as Uncle Lucas whistled and asked the boys to gather up.
_"Boys!Meet our newest player,Damien West.
>He just moved here from North Carolina and he's an excellent point guard."
>Jude was already mad at this when he saw the cheerleaders walk in.
What shocked him even more was to find Lydia walk in as well,in a cheerleading uniform.
>So she made it to the team as well?
>She looked so pretty in those blue clothes.
It really brought out her eyes and pale skin.
>He found her staring at him.
He smiled at her,only to realize she wasn't staring at him,rather at the newbie.
>Damien West.

As Lydia reached home later that night,she closed the door behind her.
>She found her parents cuddled up on the couch,watching TV.
"Hi honey!" said Haley.
>"Hi mom!I have some good news!" exclaimed Lydia cheerily.

>As Nathan and Haley looked back at their daughter,she announced, "I made it into the cheerleading team!"
>"That's great pumpkin!" Nathan exclaimed as he got up and planted a light kiss on his daughter's hair.
>"Congrats honey!Oh I'm so happy!You'll look just like your Aunt Brooke in that uniform." Said Haley,hugging her daughter and reminiscing her high school days.
>"Now go freshen 'll have dinner at Karen's Cafe." said Nathan.

As Lydia walked in her room,she let out a long sigh,still dazed about the time she spent with Damien.
>He was charming and confident.
They hung out near the River court and the lake.
>Just as she slid down her satchel from her shoulders,
two hands grasped her waist from behind,picked her up and swirled her around.

>She squealed and turned around only to find the most important person in her life smile down at her.
"_Jamie!"_ she squealed.

4. Chapter 4

Chapter 4

Jamie looked down at his baby sister as he put her down freeing himself from the bone crushing hug.
>She looked up at him with her big brown eyes, the same ones he adored since she was born.
Tears were welling up in her eyes and she looked away.
>"Hey,come'ere." He pulled Lydia into another hug as she sniffed and wept on his shirt.
>"Shh Shh.
>What's wrong Lyd?" Jamie asked stroking her hair.
>Pulling away,Lydia wiped away her tears and said, "It's just that,
>I haven't seen you in a while.
>I missed you!"
>Jamie chuckled and kissed her on the forehead.
_"I missed you too

kiddo!_
> Come on.
>Let's head downstairs, mom and dad must be waiting.

>We'll catch up on the cafÃ©'s terrace,like old
times."

Everyone was delighted to see Jamie after a long time.
>Brooke squealed "Jimmy Jam! We missed you!" and hugged him.

>"I missed you guys too Aunt Brooke!" said Jamie hugging
Lucas and Peyton .
>"Hey Jude! Davis! What's up guys?" asked Jamie,giving each
of them a bear hug.
>Lydia frowned at this and sat next to Sawyer.
_"So?How was
it?Your date with Damien?"_ inquired Lydia herself to some meat loaf.

>"It wasn't a date.
>We just hung out by the lake and the river court.

>Thankfully, Jude wasn't there." Said Lydia.

>"Yeah,must've been busy with that blonde chick,Bethany."

>"What blonde chick?" Lydia asked sitting up
straight,concerned all of a sudden.
>"Woah!calm down.
>She's in the squad with was just helping her with homework."
Said Sawyer.
>"Whatever." Said Lydia,remembering she was gonna ignore him
and his thoughts.
>She concentrated on her dinner,trying to avoid that conversation
with her cousin.<p>

Jamie and Lydia were sitting on the terrace of Karen's cafÃ©.

>Their legs dangled over the edge as they sipped on the hot chocolate
Brooke made them.
"So,what's up with you and Jude?" asked Jamie.

>Lydia nearly choked on her drink and asked, "Jude?Why'd you ask
that?Did he say something to you?"
>"Whoa!chill!I just noticed you guys didn't talk much.

>Though I wonder now,why you got so hiked up all of a
sudden." Said Jamie holding his sister's arm so that she didn't
fall down.
>"Shut up Jamie.
>It's nothing.
>Enough talk about me.
>How's Madison?" said Lydia nudging her brother with her
elbow.
>"Yeah,she's fine.
>She wanted to come but got caught up with some work.

>By the way,what are your plans for tomorrow?"
>"Not much.
>I promised Damien I'd see him after school." Lydia bit her
tongue as she slipped that out.
>"Wait,who's Damien?Why haven't I heard of him before?" asked
Jamie turning to his sister.

>"He just moved here.
It's nothing James."_ Said Lydia,blushing slightly.
>"Yeah sure.I'll have to talk to Saw about that." Said Jamie laughing.
>"Oh yeah!Saw's hosting a party at the beach house tomorrow night?Wanna go?" said Lydia,trying desperately to change the topic.
>"Yeah,sure.I'd like to meet this Damien guy." Said Jamie.

Lydia thought it was best not to argue on that note anymore.

"Coming Jamie!" Lydia yelled from her room as she ran her hair straightener along her hair.
>She'd put on green tank top under a black jacket and looked pretty in light make-up.
Lydia put the straightener down and looked at herself in the mirror one last time and ran down the stairs.

"Here we are!" said Jamie,parking the car.
>"Come on!Saw must be waiting." Said Lydia,climbing out of the car as her brother led her to the house.
>Walking in Lydia's eyes looked for Jude.
She found him standing next to the stairs,talking to Bethany.
>Immediate anger bubbled up inside her and she took Jamie's arm and dragged him away.
"What was that about?" asked Jamie.

>"Nothing.
>Hey!
>Damien!" she waved her hand at the brunette boy who walked over.
>"Jamie,meet Damien.
>Damien,this is Jamie.
>My big brother." Said Lydia introducing the two of them.

>" Mr. Scott .
>I've heard greatly about you.
>Don't you play for Duke?Big fan." Said Damien, shaking Jamie's hand.

"Hey!Call me Jamie.I'm not that old you know.
>Heard you made it into the Ravens?"
>"Point guardâ€¦" Damien wanted to continue when Lydia interrupted him.
>"Enough basketball talk.I'm gonna go get some drinks,care to join?"
>"Nah!I'll pass.I'm gonna go find Saw." Said Jamie walking off.
>"Hey,come with me." Said Damien leading Lydia out of the house to the porch.

All this while,Jude was staring at Lydia.
>He barely paid any attention to Bethany who was talking to him.
She'd asked for his help in calculus homework.
>Now she had started talking to him at the party as well.<p>

"Your brother seems nice." Said Damien sitting on the porch fence with Lydia.
>"Yeah.I guess."
>"Did I mention you look pretty today?"

>" We 've been sitting here for 20 minutes.
>And you must've mentioned it 19 times already." Said Lydia chuckling.
>"That's cause you do look pretty.
>Come on,let's go inside."
>As she tried to climb down,he helped her down as their gazes met,he leaned in closer.
Their lips met gently.
